**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My small business chose a local provider over AT&T to support competition. Broadband competition is good for business, by providing better services and reasonable prices. The actions of these large companies is monopolistic, and we will all suffer as a result. Please do all you can to stop the large companies from cutting off competition!
