**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We subscribe Sonic despite of having Comcast simply because its a independent operator. Even though they operate on AT&T, they are more trustworthy than Comcast. Sonic's service (and customer service) is far superior than the cable provider.

It is this trust of a smaller independent internet service provider that makes us want to object to FCC of further reduction competition.

Please stop this anti competitive practice. All our utilities dont have to be owned by large verticals that have all the power to define service and price but zero concern for its customers.
