**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is imperative that the smaller internet providers can continue to access infrastructure through ATT and others. Without the competition provided by these companies, ATT will have no incentive to provide decent service. Low barriers to entry into the market place for competitive startups are essential to the survival of capitalism and the American way!
