**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My wife and I are consumers in our late 70s living on social security and our savings. We need and support economical broadband competition. We have competitive DSL and competitive telephone service at our rural home. This service is critical for us to keep in touch with medical, financial, and emergency services. We do not want to suffer any price hikes to our internet and telephone services.
