47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not let huge corporations be the only option to Internet services in the USA. NO to price hikes that will increase the cost of internet services!!! Competition and choice is the foundation of America - DO NOT TAKE THIS AWAY! You'll have a lot of pissed of Americans if you do. I am a consumer and independent business person who supports broadband competition.
