**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is very important to us to continue to have competition in providers, as well as to support our local provider (over a national one). We have been with our local provider for over 10 years--maybe 15--and are concerned that policies you're overseeing will be eliminating the competitive broadband that we are currently purchasing will be a think of the past. Please ensure that this is not so.

Sincerely,
Dr. Victoria Harrison
