**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competitive providers of internet like Sonic. I say no to price hikes that will increase the cost of internet and telephone services, such as that being pushed by AT&T to create an unfair competitive advantage.

Broadband is critical to my small business. This is a very important issue for me.
