**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The small ISP that provides my communication link offers services that the major carriers do not. These services have been very valuable both for work (Im an entrepreneur) and for family (my wife and I just adopted a child from foster care). Please preserve my ISPs right to compete with the big telecom mobs. Thanks
