**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. We have very few choices where I live and decreasing small internet providers ability to compete is not the answer. I currently use Sonic in Northern California and they have been an excellent internet provider with great customer service. Do not take them away.
