**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used Sonic.Net for years and the service is fast and reliable but the feature I love best is their service department. REAL LIVE PEOPLE answer your call, transfer you to the correct department and question solved. No 20 minute waits, menus to work through as with AT&T.

When you have a company that does everything right it deserves to continue to grow and prosper. Fighting efforts to slow or limit their business is typical of greedy large companies who are threatened by innovative and successful small businesses.
