**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am against this as price hikes will increase the cost of internet and telephone services for myself and others. I also do not want to be restricted to one or two large corporations for service. They are not as supportive when it comes to troubleshooting problems as I am just another number versus the smaller companies that really care about their customers.
