**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access for entertainment is a luxury but for information is a necessity. Internet service is already an oligopoly with Comcast and AT&T dwarfing other competitors. Give the smaller providers more of a chance to compete. Customers deserve more choice. Service providers tend to hide fees and would probably raise with less competition.
