**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a long-time subscriber to Sonic.net, a local Bay area ISP. Over the past decade or so, they have provided me with excellent connectivity and excellent customer service, all at a very competitive price, as they do not bundle unnecessary services. I had DSL through Sonic for many years, and have since upgraded me to gigabit fiber. The day our household got fiber was much celebrated by my family. Please support the Bridge 2 Broadband!
