**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a former copper-connected Sonic.net Fusion customer (service which relied on unbundled copper in the last mile), and one who now has Gigabit Fiber (which still relies on unbundled elements for backhaul) I ask the FCC to reject this petition by ATT. My local ISP, Sonic, is unbelievably attentive to customer service with knowledgeable techs that really solve problems quickly.

My fiber connection allows me to work from my home office 2-3 days a week.

We need smaller ISPs like Sonic to prosper as they bring new technologies to our local market.
