**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner. I depend on broadband. Please don't take away my local provider, who I have been with for many years. If something goes wrong, the big companies are not going to care about responding quickly. Competition is a good thing for the consumer and it is unfair to rig the system in favor of the huge non-local providers.
