**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,
I want the choice to have a competitive provider.

I say NO to price hikes that will increase the cost of internet and telephone services. Let there be competition.

Broadband is critical to my home and business.

I have fiber today but was previously connected with competitive DSL, so much better.

Local broadband providers are so critical.
