**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our business relies on Sonic for our broadband services. I used to have ATT service but the customer service sucked and I was just another number. Sonic has been very customer oriented and reasonably priced.

We need small businesses to thrive and not allow the giants to take control of our internet.
