**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My name is Trang Duong. I am a long time consumer of Sonic broadband internet. I have been their customer over four years.

I am writing this letter to petition to the FCC for more competitions for internet and telephone services.

Before I became Sonic customer. I was with AT&T, Spectrum. Those big corporations provided poor service and charged very high price. Every year they increase the price without a reason. We are a small family. We don't need the deluxe bundle or complicate feature. We just need simple broadband to access to the internet for some information, some news and some knowledge.

We hope that in writing this letter we can somehow voice our voices about the cost of the internet. Please allow more competitive provider so we - the consumer- have some benefit to choose the better and cheaper internet and telephone service company .

Thank you very much for your time in advance for reading this letter.

Best Regards,

Trang Duong
