**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im writing as a single family resident in support of increased broadband competition. We chose years ago to partner with our local service provider for our internet needs. We have sacrificed some degree of up/down speeds at times but have enjoyed a far greater user experience with regard to customer service and transparent pricing year after year. Please consider carefully before allowing yet greater monopolization of this critical residential/commercial service.

Sincerely,  
Petaluma, CA resident
