**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my provider in the area where I live because they provide a good fiber product at a good price with great service. I previously used Comcast and before that AT&T for DSL. Horrible service and overpriced product. Please allow small providers to have access to the networks. Don Discourage local providers from competing with the big companies.
