**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition and oppose restricting small internet businesses access to critical infrastructure. I grew up in rural Sonoma County, CA, where internet service is challenging at best. I now live in Santa Rosa, have great service with a local company. I believe it is the responsibility of the FCC to preserve fair competition, and "promote the expansion of competitive telecommunications networks" as stated on your website [fcc.gov](http://fcc.gov).
