**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having a competitive provider is healthy.

NO to price hikes that increase cost of services.

Taking away broadband is like amputating someones leg...it's harder to do things and get around whether its business, school or home use.

I love Sonic.net and you are endangering one of the best companies I've ever experienced and everyone they serve. I'm an old lady so I get to say,
"SHAME ON YOU"!

Please do something for the people.

Thank you
