**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic and they provide much better service for me than ATT I don't want anything interrupted. I don't want to see price hikes either for lower quality service.

Thanks to competitive telecommunication laws, Sonic has been able to build and connect tens of thousands of members on our own fiber network. But, thats only a portion of our customer base. We need continued access to copper as a bridge to fiber so that we can get you, and everyone else, connected to the fastest, most affordable internet available.

Don't get rid of this!
