**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a smaller, local internet and phone provider for better service and fees. I want to have a choice in who my provider is and not be stuck with having to choose between big monopoly companies. I live in a rural community where local broadband service is critical. Continued competitive internet and phone service are very important to me and my community.
