**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition to keep price low.
We just need DSL. Broadband is critical for my home. I don't need fiber.
Sonic give my good price for telephone and internet.
Please look at price of internet in other countries as France, England., China..... It's so cheap
compare with it in USA. To keep price controlled, we have to have competition, one or two big
companies like ATT and Comcast is not enough. Please look at the small people like us, don't kill
us by kill competition.
