**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose a local provider because we wanted to keep our business local in our rural community.
We have been satisfied with our service and have been helped quickly when we needed it.
My husband does much work from home, and appreciate the broadband competition for internet
service and landline telephone service.
