**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in a rural area and are blessed to have a local company that brought in fiber to our community which has vastly increased our abilities as a community and school system to maintain our presence as a community that is NOT stuck in the past with antiquated abilities to have internet access. This local company has been a life saver for our community to thrive and move forward like every urban population. Without these local broadband efforts - WE all lose.....
