**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in Rural Kansas and have fiber line from a local provider going by our farm. We have Internet and Phone and would like to have competition in the area to keep the price down. I believe companies are getting to big and can run others out of business. Than they can raise there prices. Do what you can to encourage competition from small local business.
