**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want broadband competition in Silicon Valley. Sonic was the only option for a static IP service which I must have as a web site developer. AT&T still have a monopolistic culture so please do not let them use it to limit competition and change the rules to disadvantage independent small ISPs like Sonic
