**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Even as a resident of one of the centers of Internet innovation--Silicon Valley--I face limited choices of broadband providers, far too few such that it is an effective duopoly with two poor choices. We need more competition in broadband providers, not less. I urge you to reject the USTelecom Forbearance Petition and continue enforcing the Telecommunications Act of 1996 (TA96) to encourage competition and reject the request to cease enforcing any portions of TA96 including Title 47 United States Code sections 251(c)(3) and 251 (c)(4).

Thank you for looking out for citizens!
