**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I remember when I was young hearing that privatizing the communications industry would increase competition. I am not seeing that. There is no competition with Cable. The big cable companies take different regions agreeably. So basically I see this as a total lie. Now I hear AT&T is trying to stifle competition through policy. I am not having it. Please do not take away access to unbundled network elements. Do the right thing. I'm still reeling over your decision against Net Neutrality.
