**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need *more* competition, not less. If it wasn't for my local isp I would never have gotten fiber. They need equal access to stay competitive. broadband is critical to our whole economy and it's ridiculous that we would reduce competition and consumer choice. in conclusion: don't do it.
