**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been with Sonic for many years now with excellent service and fair fees. At my business I had AT&T until they royally messed up on a move disabling DSL a week earlier than scheduled and were not willing to do anything to reverse their action.

We need smaller, local, providers who place customer service at a reasonable cost at the front of their agenda. We need this competition with the big providers.

Keep competitive broadband in place.

Sincerely,

David Gast
