**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support broadband competition! We are a small business and our provider is much better than the larger companies. Our smaller provider was able to give us fiber access at much much more affordable price than xfinity. The larger companies are at risk of becoming monopolies. Also, please reinstate net neutrality.
