**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please save the competition of broadband. I use Sonic, a local company in Alameda, and it is wonderful service. My fianc's family uses LMI, and it also is a good service. However, this service is threatened by the petition from AT&T, threatening the availability of competition from competitors. We need as many service providers as possible!

Save local broadband providers and deny the petition by AT&T!
