**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love sonic internet. Comcast provides horrible service at horrible prices. Sonic is competitive, offers a quality product and offers great costumer service.

Please do not pass this bill that will worsen the welfare of every broadband costumer. I really love how the law is set up now to encourage healthy competition and encourage a great product.

Thank you.

Best,

Stephen Miller
