**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic Internet customer and I am very satisfied with the service. I support broadband competition. Please do not reduce competition. Broadband is critical to modern life. My kids could not do their homework without it. It is a necessity and not a luxury. As in most things, the more competition, the better the services, choices and prices.

Thank you.
