**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was an AT&T internet customer for years but switched over to Sonic because, plain and simply, they were able to provide me a better price and internet speeds 10X faster than what I had EVER had with AT&T. I haven't had any issues with Sonic since my transition and would not want to lose my internet provider or risk prices going up. I think competition is extremely important in this industry and allowing these price hikes would impact the ability for customers like myself to access the internet service quality and speed that is available in the market.
