**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had sonic internet services for over two years now and love the speed and the reasonable pricing. I moved over from Comcast and AT&T. Because of their astronomical pricing for very low speeds. It would be a terrible mistake to make it harder for smaller providers to provide excellent services. If AT&T is unable to match the speeds at the same price then they need to improve their services and manage their costs effectively and not try to stop the competitors. Please save the smaller providers from this unscrupulous behavior of the larger corporate businesses.
