**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner and I support broadband competition in the USA and in California. I do not wish to subscribe to ATT internet services as I believe they charge way too much money for service and they act as a monopolistic provider of telephone and internet. ATT prices are much higher than the smaller competitors in my area. Please continue to allow competitive businesses to use the infrastructure and keep it available to all.

Thank you

Robert Dean
