**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of many avid consumers of the internet. Unfortunately, the options for ISP's are very limited and I definitely feel a lack of competition and incentive to improve service. Please do not limit competition as the quality of service provided as well as the costs are both rapidly becoming inferior to other nations.
