**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support us in preserving our core American value of competition. I have a dedicated fiber line in my building and it is what enabled me to finally leave my old ISP, which totally sucked before. Prices are so much better as is the service. That tells me we need to preserve competition in the space. Given that the internet is what powers our current society, I hope you will take this matter seriously.

Max
