**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home regularly, and my wife does so full-time. We're both high-income, highly taxed consultants, that rely on fast, reliable internet to get our jobs done. The honest fact of the matter is that we haven't been able to find that internet until Sonic came to out neighborhood.

Please don't screw this up. I need this for my job, you need my tax dollars for yours (I'm not the only one in this position - as the nation's remote workforce grows, so too does our reliance on competitive internet providers).
