**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Historically you had a mandate to keep monopolies from occurring. Now the new petition will aid greatly in eliminating healthy competition, as well as assisting to create a small group of mega companies which will work together to destroy competition and financially abuse consumers.

You have seen this happen before. I hope you will learn from your past and protect competition in the internet industry

Sincerely

Scott Locler
