**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I do not want my more reliable service to increase their prices as it remains currently affordable to me splitting the costs between roommates.

I have tried other providers and their service was less than adequate

Working from home I rely on this service
