**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We live in rural Kansas. We recently finally were able to get good internet service through a small company called Ideatek. We have neighbors who have AT&T internet service which is substandard when compared to ours. I am writing in support small internet companies and to say that large companies are trying to force us to buy substandard service.
