**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a poor college student and I DEPEND on my local provider to give me affordable internet. Big ISP's are threatening the internet through their monopolistic actions. The internet is in danger simply because the 1% want more cash regardless to the freedom, wellbeing, and happy of their peers.

I warn the 1%, regardless of who you are, before you die you will think this: Did I have a positive? Or negative effect on the world?
