**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net, a competitive provider, because of the superior internet speed and service they provide over conglomerate competitors such as AT&T and Comcast. Sonic provides an example of what a motivated company can provide to customers. All Americans should have the choice and freedom I do, and the FCC should be striving to ensure that freedom rather than enable Telecom monopoly.
