**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In my industry of Insurance, we have Unfair Trade Practices, and a Monopoly is as Unfair of a Trade Practice as there has ever been.

Please, do not allow the competitive nature of our great country's past to be muted because of lobbyists, and large corporations.

In my employer's location, my residence, and the non-profit I volunteer at, the Lack Of Choices for internet and phone services is a sad statement of how this monopoly and price-fixing that our country has never approved of.

Let the Free Market proceed as is.

Thank you

Skeeter Ramirez
