**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

SONIC broadband and their competitive telephone service, is critical to my home at this time I will say NO to price hikes that will increase the cost of internet and telephone services. As you know the economy of the country goes down day by day many forced to be layoff at this critical time we need like SONIC company with reasonable price
